7. This product is not suitable for any other purposes except feeding pets.
8. This is not a toy, those who lack relevant experience and knowledge (including children) must use it under the supervision and guidance of a responsible adult.
9. Clean and maintain this product.

FAQ

1. Why does my feeder dispense incorrectly or the display screen is unclear or the function is abnormal?
Answer: ①If only using USB power supply, please ensure that the power supply is normal.
②If battery power is used, this problem occurs after a period of use, mostly due to the low battery level. Please charge it promptly
2. The power supply is normal, but the food doesn't dispense?
Answer: Check the food outlet for any blockage or excessive build-up that could be preventing a smooth food delivery. If the food blockage light is flashing, check for the obvious first.
3. How do I clean the feeder?
Answer: Disconnect the feeder from power and use a damp cloth to wipe down feeder, avoid any moisture from entering into the feeders motor, barrel or mechanism.
4. Can the feeder be used outdoors or on a patio?
Answer: The feeder is for indoor use only. The electronic components could be damaged if exposed to moisture.
